400AAC current measurements
 500VAC/DC volts measurements
 600VAC/DC voltage measurements
 1000AAC/DC current measurements
 1000VAC/DC voltage measurements
 1000VAC/DC resistance measurements
 1000VAC/DC continuity measurements
 Frequency measurements from V and A
 Hold function to "freeze" readings
 Large easy-to-read 4000-count display
 42-segment bargraph

Standard size, full function clamp-on meter
 1000AAC/DC current measurements
 1000VAC/DC voltage measurements
 1000VAC/DC resistance measurements
 1000VAC/DC continuity measurements

Compact size - fits into your pocket
 400AAC current measurements
 600VAC/DC volts measurements
 Resistance measurements to 400Ω
 Continuity with beeper below 40Ω
 Frequency measurements from V and A
 Hold function to "freeze" readings
 Large easy-to-read 4000-count display
 42-segment bargraph

Standard size, full function clamp-on meter
 1000AAC/DC current measurements
 1000VAC/DC voltage measurements

AEMC501é'3å½¢è¡"

äº§å“□æ□□è¿°í¼š

Compact size - fits into your pocket

400AAC current measurements

600VAC/DC volts measurements

Resistance measurements to 400Ω

Continuity with beeper below 40Ω

Frequency measurements from V and A

Hold function to "freeze" readings

Large easy-to-read 4000-count display

42-segment bargraph

AEMC675é'3å½¢è¡"

äº§å“□æ□□è¿°í¼š

Standard size, full function clamp-on meter

1000AAC/DC current measurements

1400VDC volt measurements

TRMS measurements

Resistance measurement to 10,000 Ω

Continuity with beeper below 35 Ω

Frequency measurements from V and A

Hold function to "freeze" readings

Designed to measure Amps and Volts at the same time

Push-button for easy ADC zeroing

Large easy-to-read 9999-count display

Includes test leads and soft carrying case

F05é'3½çèj"

ã§å“æ¤è;®íš

Compact handheld size, ultra practical and ergonomic design

TRMS measurement

Crest factor of 3.5 at 600Arms and 900Vrms

Peak function enables the capture of 500 μ s crest values

Min/Max automatic capture of peak values at 100ms

Continuity at programmable threshold from 1 to 40W

Selectable V-Live™ function (buzzer warning of voltage >45V peak, considered to be hazardous)

Battery life displayed directly in hours

Automatically detects AC or DC and is auto-ranging

Automatic DC current zeroing

Backlit Digital Display

EN 61010-1, EN 61010-2-032, 600V Cat. III

Supplied with test leads and a soft carrying case

AEMCCM605é'3½çèj"

ã¢â€šæ¤é¢íš

10,000-count LCD Display - Excellent Resolution

100AAC/DC Ammeter with low 10A Range (1mA Resolution)

Tapered Jaws for crowded wiring or areas ($\varnothing .45"$ = 12mm Jaw Opening)

600VAC/DC Voltmeter

Analog Output in AAC/DC A

Auto-Ranging & ADC Zero Push-button

Data HOLD & PEAK functions

Relative Function to compare two measurements

Ohm Range & Continuity Test with Beeper, 600V Protection

Batteries: AUTO-OFF and Low Battery Indicator

IEC/EN 61010 Safety Rated & CE Mark
