

A side elevation drawing of the building facade. It shows a central entrance with a pediment supported by columns. To the left and right are wings with vertical ribbing. A vertical dimension line on the left indicates a height of 14 units.

Technical drawing of a mechanical component, likely a bearing or seal, showing a cross-section. The drawing includes dimensions A, B, and 2. Dimension A is the total width, B is the width of the central section, and 2 is the width of the outer section.

NOTE.
1. UNLESS OTHERWISE SPECIFIED.
TOLERANCES ARE ± 0.3

極數 CIRCUITS	寸法 DIMENSIONS	
	A	B
5	12.3	8
8	18.3	14
10	22.3	18
